

History, Cognition, and Visualisation in Science: The David Gooding Memorial Meeting.

September 22-23, 2010

University of Bath

Bath, UK

Practical Information

The meeting will be held at the University of Bath in building 5 West, marked as 5W, near the West Car Park, on the map that can be found at <http://www.bath.ac.uk/maps/pdf/2010flatmap.pdf>.

Accommodation, all en suite, will be provided in Polden Court, very close to the location of the meeting. As this is just before the new academic year begins, there will only be a few graduate students on campus. Details of accommodation can be found at:

<http://www.bath.ac.uk/accommodation/residences/polden.shtml>

(Note that towels are provided for delegates attending meeting)

WiFi access is provided in some parts of the campus, but is not guaranteed in accommodation rooms.

Details of how to get to Bath can be found at <http://www.bath.ac.uk/getting-here/>

If coming by car, parking permits will be available from conference registration. It would be helpful, but not essential, if you could let Frank James (fjames@ri.ac.uk) know in advance if you will require a permit.
